Today's economy might have you wondering how to protect yourself...

A **critical illness** can impact more than just your health ...especially if you need to dip into your savings to take care of expenses not covered by your health plan.

The **Critical Illness Insurance Plan** can provide a cash benefit to use any way you want, so you can focus on recovery.

See why this is the plan for you:

- ☑ **Coverage that fits your needs:**
up to \$100,000.
- ☑ **No medical exam to apply.**
- ☑ **Affordable Premiums.**

The **Critical Illness Insurance Plan** helps you to focus on recovery - and safeguard your family's security – at rates you can afford.

**For more information about the Critical Illness Program,

The Critical Illness Insurance Plan is underwritten by ACE INA Life Insurance and distributed by Johnstone's Benefits. This information piece has been designed to outline the benefits for which you may be eligible under the Critical Illness Insurance Plan and is for informational purposes only and does not replace their respective policy contracts. Please refer to the Critical Illness Insurance policy for full details of the coverages, explanations of benefits, including but not limited to the definitions, benefit amounts, exclusions and limitations, as these may limit the benefits available. In all cases, it is the terms of your Critical Illness Insurance policy issued by ACE INA Life Insurance that will govern.
