

Takeda Magnum Opus Award – 2012

Summary of the award:

- Sponsored by Takeda Canada, and presented in partnership with The Pharmacy Group, Rogers Publishing (publisher of Pharmacy Practice and Drugstore Canada).
- Specifically recognizes pharmacists who have completed advanced training or education and have successfully expanded their practice as a result.
- Promotion of the award serves to raise awareness of the value and availability of advanced training for pharmacists.
- Each provincial winner receives \$1000 to be donated in his or her name to the pharmacy school alma mater, advanced training program, or disease-based charity of his or her choice

Entry requirements:

- Evidence of completed specialty education or training (e.g., certification program, post-graduate education);
- A description of how the pharmacist has successfully expanded his or her professional practice as a result of this additional training; and,
- Supporting materials: e.g., marketing materials, testimonials from patients and other healthcare providers, data that demonstrate the success of the expanded practice
