

*I hear pharmacists  
can prescribe for...*

# Ahem...

Minor ailments can be a cause of major embarrassment. But your Saskatchewan pharmacist can prescribe for the following:

- Mild Acne
- Seasonal Allergies
- Cold Sores
- Diaper Rash
- Insect Bites
- Canker Sores
- Oral Thrush
- Painful Periods
- Acid Reflux
- Headache
- Hemorrhoids
- Muscle Strains/Pains
- Skin Infections
- Athlete's Foot / Ring Worm / Groin Itch
