# PAS 2019 Conference

*Sponsorship and Trade Exhibit Opportunities*

**As a *PAS Conference sponsor/exhibitor*,  
you'll be showing your support of  
*pharmacy practice in Saskatchewan.***

**Thank you for taking the time to review the Pharmacy Association of Saskatchewan's 2019 Sponsorship and Exhibitor Package outlining the many sponsorship opportunities.**

- We anticipate more than 170 delegates from the pharmacy sector, including frontline pharmacists and key decision-makers. Every year we look forward to an amazing event where we attract pharmacy leaders within Saskatchewan and beyond – pharmacy owners and managers, community and hospital pharmacists, pharmacy technicians, students, association executives and academics.
- There will be participation from all areas of pharmacy and a diverse offering of educational content. The Saskatchewan Branch of the Canadian Society of Hospital Pharmacists (CSHP), the Saskatchewan College of Pharmacy Professionals (SCPP), The Pharmacy Technician Society of Saskatchewan (PTSSk) and the Continuing Professional Development for Pharmacy Professionals (CPDPP) are all involved.

**Your support is integral to our conference.**

- Support the future of pharmacy. Every year, pharmacy students attend the annual conference and connect with established pharmacists, providing truly meaningful experiences and opportunities.
- Bring continued awareness and support of your organization brand to community and hospital pharmacists and technicians. Through sponsorship branding, you can ensure visibility amongst your peers and valued colleagues, providing you an opportunity to stay top of mind.

**We look forward to your involvement and support of this important event for our Saskatchewan Pharmacy Community.**
